1. The United States Army Intelligence and Security Command (USAINSCOM) has a requirement for the procurement of services, hereinafter referred to as GENESIS II, to support combat arms commanders to conduct intelligence collection and countermeasures against tactical and strategic ground and air based threat communications and intelligence collection systems. In order to provide industry with a "heads-up" on what may be included in the upcoming GENESIS II Request For Proposal (RFP), the referenced ***draft*** documents, as listed above, may be downloaded from the INSCOM Web Page at:

www.inscom.army.mil/contracting/solicitations.asp.

2. The anticipated Contract Line Item (CLIN) structure for this requirement may be structured based on three CLINS per year utilizing the following contract types: (See reference (a) for more details.)

- First CLIN: GENESIS II Services – Cost Plus Award Fee (CPAF)
- Second CLIN: Other Direct Cost (ODC) – (Cost Non-Fee Bearing)
- Third CLIN: Data for first CLIN – Not Separately Priced (NSP)

3. Each of the Labor CLINS and ODC CLINS will include up to seven SUBCLINs, one for each of the support cites, as listed in the Work Break Down Structure (WBS) (see reference (b)).

4. The estimated period of performance for this procurement will be one base year and four option years, plus five one-year award terms (if earned), for a total possible period of performance up to 10 years, commencing 1 October 2003. Additionally, this effort will include a two-three month transition period commencing on or about July/August 2003.

5. A draft Statement of Work (SOW) for this effort is provided in reference (c).

6. Reference (d) lists the current level of staffing on the on-going contract. This information is provided for informational purposes only.

7. Reference (e) encompasses a list of all Government Furnished Property (GFP) that will be made accountable under the resultant contract.

8. All industry responses shall be sent to Mr. Matt Klink at mklink@vulcan.belvoir.army.mil.
